

JESUS
VOLT

The image features a stylized logo on a black background. The text "JESUS" is positioned above "VOLT", both rendered in a bold, white, blocky font with a 3D effect. The letters are interconnected, with the top and bottom edges of the characters being thick and slightly angled. Two white lightning bolts are integrated into the design: one at the top, pointing downwards towards the "JESUS" text, and one at the bottom, pointing upwards towards the "VOLT" text. The overall composition is centered and has a high-contrast, graphic quality.
